## Fine & Rare Wines

We consistently have some of the most sought-after wines that come into the country in tiny allocations, some as little as 3 bottles for a vintage.

So, whether you are looking for fine and rare classics, from the likes of Roumier, Domaine Leflaive, Soldera, Selosses, Pingus or Château Latour to or some of the tiny production natural wines from Ganevat, Dard et Ribo, Commando G, or Emidio Pepe, we have an ever-evolving selection.
